Pointer Control Knobs

Series #1550

- Control knobs and levers in thermoplastic, with or without flange and index/graduations.
- Knobs can be decorated or customized to your specific need.
- Perfect knobs for synthesizers and other electronic applications.
- A variety of shapes and diameters with plain, tapped bosses or with studs are available with standard threads to fit the application.
- A wide range of soft touch control knobs available in thermoplastic overmold.
- Colors available upon request.
- Please note: Not all variations available are listed below. Please [contact Customer Service](#) to inquire about all available options.
