LIMITED Edition 2013

LIMITED Edition 2013 tool case

In 2013, PARAT is once again presenting a new high-quality LIMITED special edition case in the ultra-robust CLASSIC series. Apart from an attractive design, PARAT has once again placed high value on user friendly fittings and uses the established combination of stitched push-in compartments and our patented CP-7 tool holders for the inside fittings.

Features at a glance:

- Unique combination of CP-7 equipment and push-in compartments
- Double aluminium frame with maximum load up to 30 kg
- Document compartment for business cards, documents in DIN A4, pencils, etc.
- Bottom tray free adjustable and with extra-high bottom (88 mm)
- Sturdy Con-Pearl® tool boards
- Ergonomical handle with grip recesses
- Hinges with ratchet and locking mechanism
- Barrel locks
