

## **Between Series Adapters**

Between Series Adapters solve a variety of connection problems where connectors of different types ordinarily could not be mated together. Each adapter has a different type coupling at each end allowing for a wide variety of interconnections to fit almost all interconnection situations. All adapters are constructed of machined brass and are nickel plated.

## **BNC to UHF**

Part Number	ROAS	Description	Fig. No.
3307505		BNC Male - UHF Male	167
3317505	☑	BNC Male - UHF Female	168
3327505	☑	BNC Female - UHF Female	169
7313505		BNC Female - UHF Male	170
