Robust Housing

Reinforced steel housings with up to 1 tonne total capacity. Huge range of plan sizes and heights.

75kg Drawers

Standard fitment drawers are 75kg U.D.L. capacity with full 100% extension roller bearing slides and scuff resistant galvanized pans.

Drawer Blocking

All cabinets are equipped with a mechanism to prevent more than one drawer from opening at a time. Additional individual drawer interlocks are also available.

Central Locking

For all models, master, group and traceable electronic locking systems are available.
