SHELF BINS HEALTHCARE

Bin/Tote Colors

Description

New Clear Bins! Stop replacing worn out, flimsy corrugated bins. **Shelf Bins** outlast corrugated bins — paying for themselves in reduced replacement costs. Fit standard 12,18, and 24" [shelving](#).

The superior construction of Shelf Bins allows them to be fully loaded without bulging or cracking. Durable industrial-grade polymer bins also provide an attractive, neat appearance. Works with 12", 18" and 24" deep shelving, or vertical storage and retrieval units. One-piece construction is waterproof and resistant to grease or oil.

Optional Dividers, Bin Cups and Extended Label Holders keep small parts separated and organized. Rear hanger allows bins to tilt out for complete access.

13 Sizes and 6 Standard Colors — Red, Blue, Yellow, Green, White and Clear

Specialty Colors: Hunter Green, Sandstone, Terra Cotta (for models 30110, 30120, 30130, 30150, 30128, 30138, 30124 and 30164 only)
