Thermal Curves

Thermal Resistance	5.00
---------------------------	------

Thermal resistance value is based on a 75°C rise in natural convection

Product Information

Part #	Description	Finish	Board Mounting
529801B02500G	Extruded heat sink with large radial fins and solderable pins	Black Anodize	View Hole Dimensions

Not Exactly what you need?

We offer several options for those applications which require a more unique solution. For slight modifications of this part or other attachment options, finishes, and interface materials, contact your [local representative](#). Challenge us with your thermal requirements - we can design custom solutions.
