For use with TO-220 packages

Printer friendly version

Part Number - 531002B02500G

RoHS Compliant

Product Change Notice

Mechanical Outline Drawing

A Dim 25.40

## Thermal Curves

Thermal Resistance	13.40
--------------------	-------

Thermal resistance value is based on a 75°C rise in natural convection

## Product Information

Part #	Description	Finish	Board Mounting
531002B02500G	Extruded heat sink with radial fins and notched base and solderable pins	Black Anodize	<a href="#">View Hole Dimensions</a>
This non-electronic component is functionally unaffected by the normal soldering or reflow processes used for semiconductor circuits. The heat resistance time or heat resistance temperature is not applicable for the component.			

### Not Exactly what you need?

We offer several options for those applications which require a more unique solution. For slight modifications of this part or other attachment options, finishes, and interface materials, contact your [local representative](#). Challenge us with your thermal requirements - we can design custom solutions.
