## Mechanical Outline Drawing

## Thermal Curves

|                           |      |
|---------------------------|------|
| <b>Thermal Resistance</b> | 5.40 |
|---------------------------|------|

Thermal resistance value is based on a 75°C rise in natural convection

## Product Information

| Part #       | Description                   | Finish        | Board Mounting |
|--------------|-------------------------------|---------------|----------------|
| 568303B00000 | Square basket style heat sink | Black Anodize | N/A            |

### Not Exactly what you need?

We offer several options for those applications which require a more unique solution. For slight modifications of this part or other attachment options, finishes, and interface materials, contact your [local representative](#). Challenge us with your thermal requirements - we can design custom solutions.
