

83 540 0 1 -pole Telescopic button Part number 835400

- High switch rating
- Low level
- Long mechanical life
- Reliability

	Type	Functions	Connections
835400	1 -pole Telescopic button	Changeover	W2 solder
835440	1 -pole 2 stable positions	Changeover	W2 solder
835453	2 -pole 2 stable positions	Changeover	W2 solder
835460	1 -pole 2 stable positions	Changeover	W2 solder

General characteristics

Microswitch	83 132 0
-------------	----------

Presentation

Threaded barrel	■
Chrome-plated nuts	■
Locating washer	■
Chrome-plated toggle	-

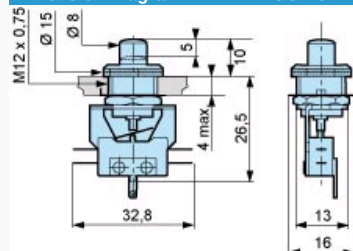

Mechanical characteristics

Protection against electric shocks to IEC 536 and NF 20030	Class I
Mechanical durability of operating device (operating cycles)	5×10^5
Weight (g)	20

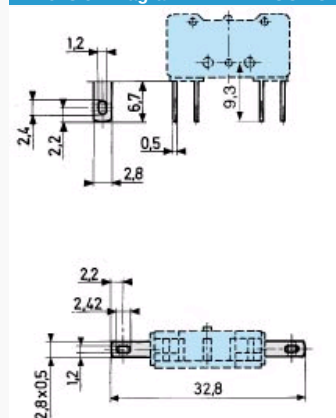

Other characteristics

See basic technical concepts.
