SUPPORTING DOCUMENTS FOR THE CHANGE VALIDATION PSTS (Phoenix Semiconductor Telecommunication (Suzhou) Co., Ltd.) QFN Package Assembly Reliability Report Device Marking Procedure PR-QA-0029-02		
<ol style="list-style-type: none"> Customer will be notified by Akros Silicon, Inc. a minimum of 90 days before the proposed implementation of the change. Customers should acknowledge receipt of the PCN within 30 days of delivery of the PCN. Lack of acknowledgement of the PCN within 30 days constitutes acceptance of the change. After acknowledgement, lack of additional response within the 90 day period constitutes acceptance of the change. An acceptance or concern response should be submitted to Akros Silicon in a timely fashion (i.e., customer should not wait to the end of the 90 day review period before responding, if the response is known before that time). 		
CUSTOMER ACKNOWLEDGEMENT OF RECEIPT
