

## **Knockdown Steel 2-Post Rack** *DC2R Series*

### **Front Punched Square Holes**

### **Features**

- Constructed in 12-gauge steel.
- 19" EIA-310-D compliant front square hole punched.
- Side ganging and accessory mounting holes.
- Includes two (2) pairs of integrated 10-32 ground studs, spaced 5/8" apart. Stud pairs are conveniently located across from each other inside the rail channel. For added convenience, a pair is located near the top of the rack, while the other at lower side.
- Finished in smooth black powder paint.
- Knockdown design ships unassembled for easy handling and shipping protection.
- Tested to nearly double the suggested load rating of 800 lbs.
- RoHS Compliant.
- Manufactured in North America.
