HDL33A2

Lightweight, versatile and comfortable, the Energizer® 6 LED Headlight is perfect for electrical, plumbing, HVAC or other work that requires both hands. It puts light where you are looking and has a swivel adjustment with ratchet positioning for accurate aim.

Variable light sources allow you to choose the best illumination for the job – area, flood, spot or night vision – without changing lights. Also, this light mounts securely to hard hats or can be comfortably worn around the head for long periods of time.

Before Using Your Flashlight:
Please read all instructions and cautionary markings on the package and light
