

# IQ200C product information sheet

With enhanced functionality and a streamlined design, the IQ200C is a sensible cantilever for any job or customer requiring a mounting solution for extra large flat panels. The iQMounts Series puts a fresh spin on an old favorite, providing fixed, tilt and cantilever mounts with improved functionality – not to mention a new clean design.

## Product Benefits

- Tilt, pan and swivel for maximum viewing flexibility
- Low-friction washers at every joint for fluid movement
- Patent-pending 4-bar tilt mechanism for effortless adjustment
- Extruded aluminum arms for maximum support in a lightweight mount
- Includes universal adapter for greater VESA compatibility
- Lift n' Lock™ for quick installation
- Integrated cable management guides wires
- 5.8" (147mm) sliding lateral on-wall adjustment
- Built-in screen leveling
- Open architecture for easy trim out
- Safety screw secures TV to mount
- Wall plate covers conceal mounting hardware
- Installation template for simple and accurate mounting
- Includes complete hardware kit

The iQMounts are equipped with low-friction washers at every joint, giving you the benefit of smooth and effortless movement.
