Item # M4300-3PKG, Brass Full Size Switches

\$70.54

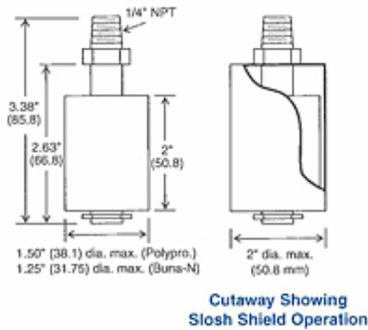

Brass Full Size Switches

The M4300 liquid level switch has a brass stem and a Buna-N float. Buna-N is typically suitable for use with aromatic hydrocarbons, diluted acids, and bases within a temperature range of -50 degrees C to 120 degrees C. **These are sold in packages of 3. Pricing is per package.**

Applications include fuel tanks, transmissions, and hydraulic systems.

Same day shipping available under our Switch-In-Time program.

Note: SPST = Single Pole, Single Throw
