Bumper Stop PD.3206BL PUR +65°C -34°C 13.2mm Bumper

RS Stock number 7461200

Features

Square

Self-adhesive polyurethane bumpers/feet help to sound-dampen, absorb shock, prevent items from moving/slipping and act as general buffers. They may be easily applied to clean, dry, free-from-dirt/grit surfaces on furniture, electrical and electronic equipment and accessories, and point-of-sale equipment. The bumpers/feet are manufactured from polyurethane, are non-marking, and designed predominantly for use internally (however they may be used for external applications*).

Excellent skid resistance with a high coefficient of friction and excellent resistance to moving and staining

Temperature range: -34°C to +65°C

Long ageing resiliency and will not crack or harden

Ideal for use on: glass, aluminium, stainless steel, acrylic plastic, polyethylene, polystyrene, ABS, polypropylene and polycarbonate

To ensure maximum adhesion, surfaces must be clean, dry and well unified

RS, Professionally Approved Products, gives you professional quality parts across all products categories. Our range has been testified by engineers as giving comparable quality to that of the leading brands without paying a premium price.
