

## Datasheet

### **RS Pro Right Angle 75Ω Cable Mount BNC Connector Plug, Crimp Termination RG179E Silver**

RS Stock No: **546-4184**

## Product Details

RS Pro cable mount BNC connector plug has a silver plated body, gold plated centre contact and is suitable for RG179E cables. This 75 Ω right angle BNC connector plug comes with bayonet coupling and a cable crimp termination. It is suitable for a variety of applications including video signalling and test equipment.

## Features and Benefits

- Silver plated body
- Gold plated centre contact
- Crimp termination method

## Specifications:

|                             |                 |
|-----------------------------|-----------------|
| Body Orientation            | Right Angle     |
| Body Plating                | Silver          |
| Cable Type                  | RG179E          |
| Contact Material            | Copper          |
| Contact Plating             | Silver          |
| Gender                      | Male            |
| Impedance                   | 75 $\Omega$     |
| Mounting Type               | Cable Mount     |
| Operating Frequency         | 1 GHz           |
| Polarity                    | Normal          |
| Termination Method          | Crimp           |
| Body Material               | Brass           |
| Insulation Material         | PTFE            |
| Operating Temperature Range | -65 to +165°C   |
| Standards Met               | RoHS Compliant  |
| Voltage Rating              | 500 V (Working) |
|                             |                 |
