

SERIES 9021

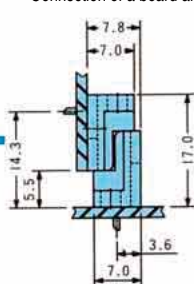

Single row type with
flange for printed
circuit boards

Vertical

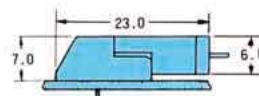

Mating dimensions

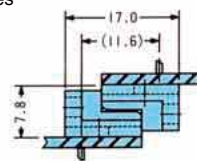

Connection of a board and board

Connection of a board and crimped wire

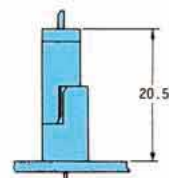

Vertical and Vertical types

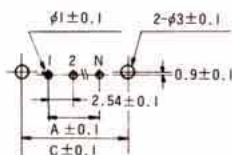

Vertical and Right Angle types

Right Angle and
Right Angle types

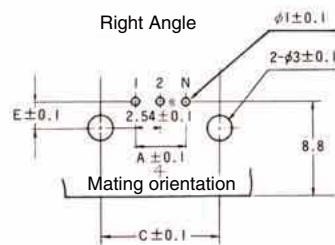

Mounting dimensions on the P.C.board

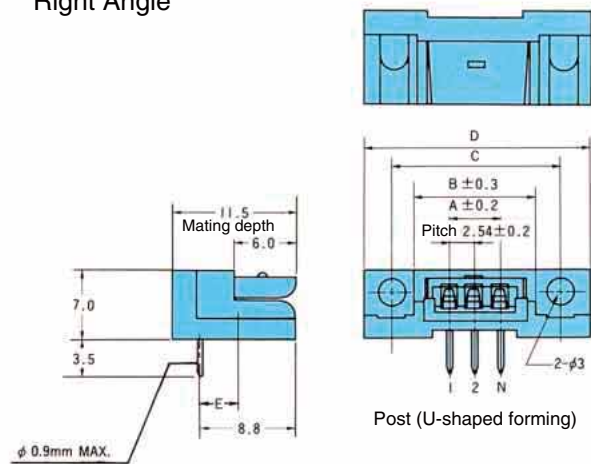

Vertical

Right Angle

Right Angle

No. of positions	A	B	C	D	E	Remarks
6	12.70	20.70	25.65	31.7	2.4	With the locking structure
12	27.94	35.94	40.89	46.9	2.4	
16	38.10	46.10	51.05	57.1	2.4	
20	48.26	56.26	61.21	67.3	3.3	No locking structure
