

10090933-S2448LF - D-Subminiature High Density : High Density D-SUB Crimping Female contact, 200 Mating cycles

www.fci.com

Specifications

Approvals / Certifications	
Approvals / Certifications	UL pending
Mechanical	
Durability (Plating - Mating cycles)	Std Class (>200 Mating Cycles)
Extraction force (Mating part)	0.2N min.
Insertion force (Mating part)	5N max.
Electrical	
Current rating	2.5A Per contact
Resistance (Contact)	< 25 milli - ohms
Voltage rating	250V rms at 60 Hz
Voltage rating (DWV - Dielectric withstanding)	750V r.m.s
General	
Contact type	Signal
Gender	Socket
Number of contacts (Total)	1
Orientation	Straight
Product Type	Contact
Termination Style	Crimp
Mounting	
Attachment	Wire
Other Features	
Most Popular Configuration	Not Applicable
Physical	
Plating (Contact)	Gold over Nickel
Plating (Shell)	100u" min Nickel
Plating (Termination)	Matte Tin over Nickel
Temperature (Operating - range)	-55°C to +105°C
