Black Fluorocarbon Rubber Sheet, 600mm x 600mm x 3mm

RS Stock number [506-2980](#)

Description:

Fluorocarbon Rubber sheet with good resistance to mineral oils, fuels, non-polar solvents, including high aromatic and chlorinated types

Specifications:

Colour:	Black
Hardness:	70° (+/-5°) Durometer
Tensile Strength:	100 Kg/cm ₂
Elongation @ Break:	165% Min
Compression Set:	50% Maximum Discs 22 hours @ 175°C ASTM 395D Plieed
Temperature Range:	-18°C to +204°C (up to 315°C intermittent)
