Item # M4182-SS-EP, M Series Bilge/Bottle & Submersible Switch

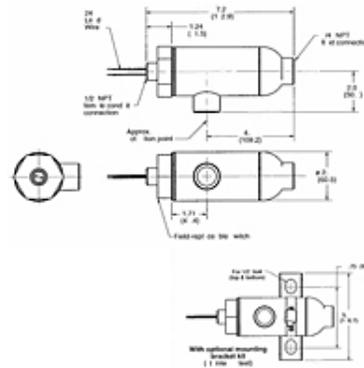

\$363.89

M Series Bilge/Bottle & Submersible Switch

The M4182-SS-EP Bilge/Bottle & Submersible Switch is constructed of a 316 stainless steel float and housing. This switch is designed for both bilge and external tank operation. This unit allows for field replacement of the internal float switch (replacement switch P/N: M5002-7801).

The switch housing comes in an electropolish finish.

Note: SPST = Single Pole, Single Throw
