 Region  USA  Product Family  Pre-Printed Marker Cards PCM Type  Text Search: 'PCM -23'

Your search criteria matched only one product, shown below.

Suffix numbers are used to extend numbers or to create alpha-numeric cods. For example, adding suffix number 10 to number 700 creates 70010.

- Marker cards printed in a variety of legends allows 'kitting' for project builds
- Plastic liner provides easy removal of markers while protecting unused markers

|                            |                                                                                     |
|----------------------------|-------------------------------------------------------------------------------------|
| Part Number:               | PCM23                                                                               |
| RoHS Compliancy Status:    | Compliant                                                                           |
| Part Description:          | Wire Marker Card, Vinyl Cloth, '23'                                                 |
| Material:                  | Vinyl cloth                                                                         |
| Length (In.):              | 1.50                                                                                |
| Length (mm):               | 38.10                                                                               |
| Width (In.):               | .25                                                                                 |
